

Posting Procedures For YouBlog Administrators

1. Log into the YouBlog Admin Page <http://preventdisease.com/cgi-bin/cornews11/coranto.cgi> to access the Main Page.

PreventDisease.com *Coranto v1.25.2*

Main Page

You are logged in as user mikesygula.

<p style="text-align: center;">Submit News</p> <p>Create a new news item and add it to the database.</p>	<p style="text-align: center;">Build News</p> <p>Generate news HTML files from the database. News must be built before any new or changed items will appear on your site.</p>
<p style="text-align: center;">Modify News</p> <p>Remove or edit existing news items. You may only edit items that you have previously submitted.</p>	<p style="text-align: center;">User Info</p> <p>Change information associated with your user account, such as your password.</p>
<p style="text-align: center;">Upload Manager</p> <p>Upload or delete a file or view the list of uploaded files.</p>	<p style="text-align: center;">Log Out</p> <p>Log out of Coranto. You will have to enter your username and password to gain access again.</p>

Your Version: 1.25.2

Main Page | [Submit News](#) | [Build News](#) | [Modify News](#) | [User Info](#) | [Upload Manager](#) | [Log Out](#)

Submit News: Here you will access the submit news forms page where you will be able to post your content.

Build News: IS NOT necessary. The news will automatically be built once you submit your post.

Modify News: If you've made errors or want to modify your content

User Info: If you want to change your credentials

Upload Manager: INACTIVE

Log Out: Exit the interface

2. Once you have select “Submit News” you will arrive at the page below. The only fields you need to worry about are Subject (which is actually Author) and News Text (which is your content)

PreventDisease.com Coranto v1.25.2

Submit News

You are logged in as user mikesygula.

Date:

Alter submission date? Optional (dd-mm-yyyy):

Alter submission time? Optional (hh:mm:ss):

News valid until? Optional (dd-mm-yyyy):

Category: YouBlog ▾

Subject: Author's name goes here

Author:

News Text:

Content goes here and accepts all universal html tags
Leave at least two `

` tags at the end of your content to make space for the next advertiser.

Main Page | [Submit News](#) | [Build News](#) | [Modify News](#) | [User Info](#) | [Upload Manager](#) | [Log Out](#)

After you've completed the form, click submit and the post will be live instantly. Please DO NOT use any of the other fields greyed out above (they won't be greyed out on the live page).

CONDITIONS OF USE

- Post only to your maximum post count per week according to your agreement.
- Post only basic html links only. **Attempting to link to scripts on PreventDisease.com or any other website will get you instantly banned from this interface.**
- Only links to your own website are permitted. Links to third party websites are prohibited.
- Do not exceed 500 words per post. Preferably an intro and link to the full article is more appropriate.
- Do not post links that promote other businesses
- Do not post any content relating to the promotion of drugs or drug therapy
- Do not post any content relating to supplements whose effectiveness is either unproven throughout research or scientific literature
- Do not post any content which is offensive to a specific population, gender, race or religion
